Hey!!!!!!

I love Bill! I was in Greece for a little while, but I ended up staying longer unfortunately because I ended up being hospitalized. I ended up needing [REDACTED] there, otherwise I would have died.

Unfortunately, the day I got back I had to get right to work because I have 3 trials in Superior Court that I have to do, on top of everything else.

Doing better now, I had to go to the doctors everyday of the week when I got back.

I'm just happy to be alive!

It was nice to hear from you!!!!

I hope you're doing well Annie!

Georgeeee!!!

Bill (Det. Ward) from Quincy PD was asking for you? I guess he hasn't seen you in a while.

Hope all is well. Just concerned.
